

## Northern California Fixed Wireless Pricing Menu

### Why Fixed Wireless?

If you live or work beyond Cal-Ore's current fiber optic network, you can still get high-speed Internet and voice using Cal-Ore wireless service. Many people in the Yreka, Lake Shastina, Grenada, Montague, Tule Lake, or Dorris areas live within Cal-Ore wireless range. Please call to find out which services work for you.

### Why Cal-Ore?

For more than 60 years, Cal-Ore has been earning the trust of Northern California businesses and residents by providing reliable, honest service. Our professional technicians and representatives live and work where you do. We're proud to be the local choice for world-class communications.
